

UTAH STATE DEPARTMENT OF HEALTH

UTAH STATE MEDICAL ASSOCIATION
JOINT COMMUNITY VACCINATION PROGRAM

TO PARENTS: Thank you for providing the immunization information. We sincerely hope you will follow up this excellent start by keeping your child's protection up to date. A suggested booster schedule is shown on the reverse side.

Attached is the immunization record card for your child. Preserve it. It will be of life-long importance.

G. D. Carlyle Thompson, M.D.
Director of Public Health
